

Parking Information

Sheraton & Le Meridien Charlotte
555 S. McDowell St. Charlotte, NC 28204

- ◆ **Event Parking:** the Parking Garage is the closest entry point for event attendees. There is direct access on the 2nd level of the parking garage into the meeting space area, via the Symphony Convention Foyer (entrance is accessible only by guest room key card after 10pm).
- ◆ **Overnight Parking for Hotel Guests:** guest staying overnight at the hotel must tell Front Desk that they have a vehicle to park and parking will be added to the guest room reservation. Once added to the reservation, your guest room key card will open the gates for entrance & exit. After checkout, please retain one of your guest room key cards in order to exit.
- ◆ **Parking Validation:** if your group is to receive discounted or complimentary parking, please see your event host for a validation sticker. The sticker must be placed on the front of your parking ticket, between the two barcodes. If you do not receive a validation sticker, standard parking rates will apply when you exit the lot. Stickers must be placed on the parking ticket and cannot be inserted on their own into the machines. Please note that overnight guests who pay for parking via their guest room will still receive applicable group parking rates.
